COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Dear Sir:

Applicant respectfully submits the following comments about the Examiner's Statement of Reasons for Allowance ("SRA").

Applicant submits that the patentability of each individual claim rests on that individual claim as a whole and not solely on any single element of the claim. Further, Applicant submits that other claimed features not recited by the Examiner in the SRA distinguish the claims from the cited references. The language recited by the Examiner is not identically found in each of the claims. Applicant submits that the language used in each claim must be read in the context of that claim as a whole and that the language the Examiner recited in the SRA must not be read into each claim.
